
A service of *Lament and Hope*

**All Saints Church
Community Centre
315 Dundas St. E.
Toronto**

**Sat., Mar. 18, 2023
4 PM**

Please join us for a community gathering of song and prayer as we grieve our losses and remember God's promises.

In response to our many COVID-related losses over the past three years—losses of life, health, income, and more—, this service draws on the Biblical tradition of lament.
